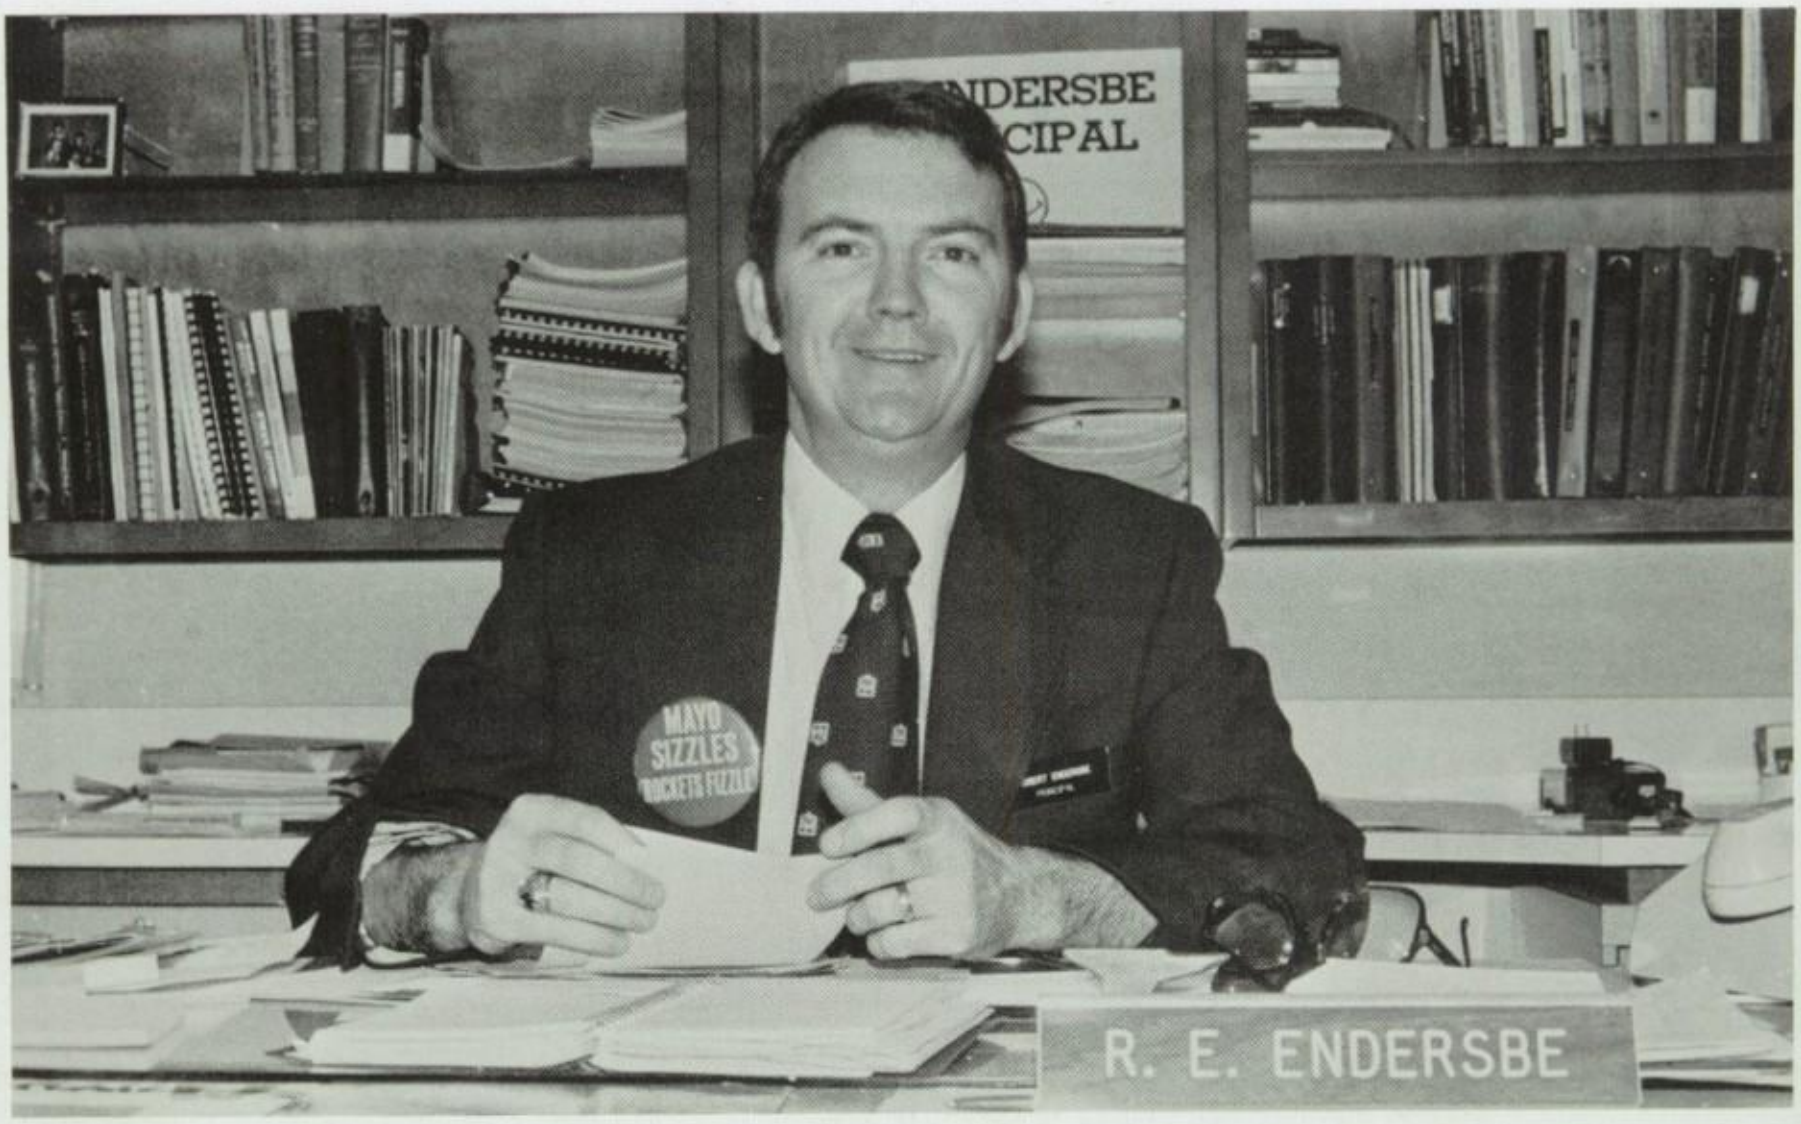
PRINCIPAL

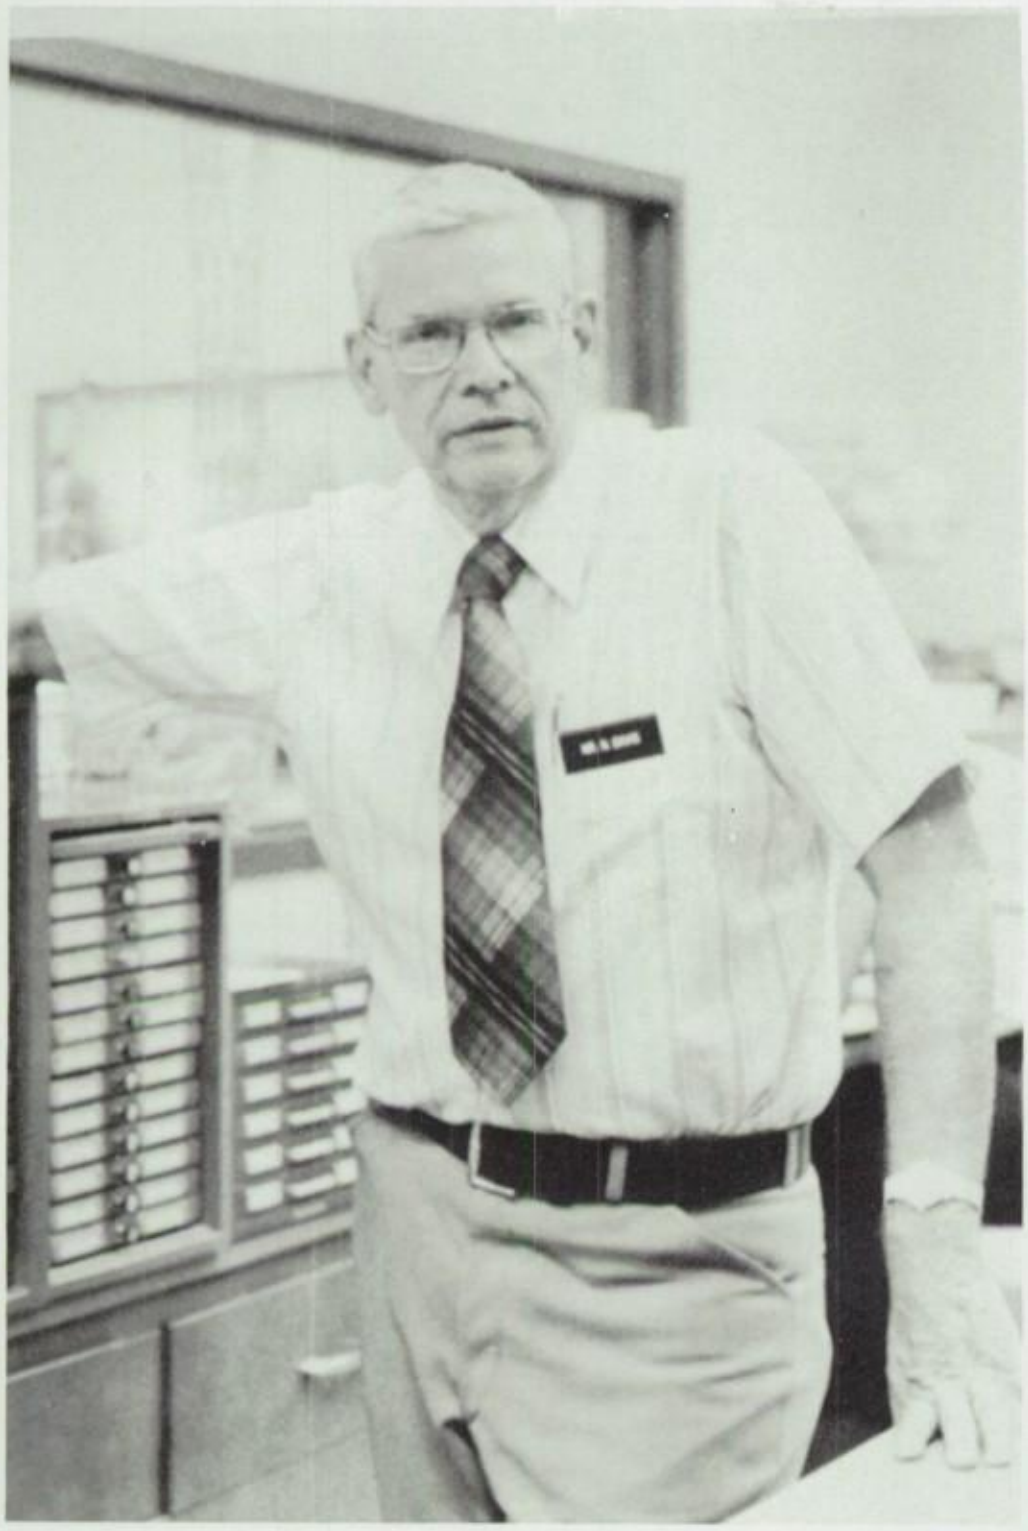


The 1978-79 school year was a very interesting one. It was a year marked by student and teacher enthusiasm which was reflected in strong school spirit and, hopefully, positive feelings about oneself.

It was my first opportunity to work with the students and faculty at Mayo High School, and I conclude that Mayo High School is NUMBER ONE.

Robert Endersbe

ASSISTANT PRINCIPALS



The past three years have been some of the greatest for me since I started my career in education quite a few years ago. I think I have you students to thank. We have had some of the greatest people as students at Mayo during these three years. Good luck to all of you.

Lloyd Collopy

Congratulations! You have been part of another great year at Mayo High School. May all your experiences of the 1978-1979 school year have a positive influence on your life. Thank you for all your efforts to make this the best year ever. Good Luck!

JUNIORS

"Believe nothing . . . merely because you have been told it . . . or because it is traditional, or because you yourselves have imagined it. Do not believe what your teacher tells you merely out of respect for the teacher. But whatsoever, after due examination and analysis, you find to be conducive to the good, the benefit, the welfare of all beings — that doctrine believe and cling to, and take it as your guide."

CLUBS

AMERICAN FIELD SERVICE

Members of the American Field Service Club provide friendship, aid, and learning experiences to foreign AFS students at Mayo. The AFS Club sponsors short term student exchanges to other Minnesota schools in addition to long term exchanges to other states or countries. Activities this year have included a Halloween Party, the building of a float for Homecoming, and the selection of students for the AFS Abroad Program. The club also has helped the Adult Chapter of AFS raise money so more foreign students can attend Mayo High School.

Front Row: Paul Lofgren, Lisa Costello, Oscar Vargas, Paul Buharin, Dawn Flickinger, Tamara Kappauf, Scott

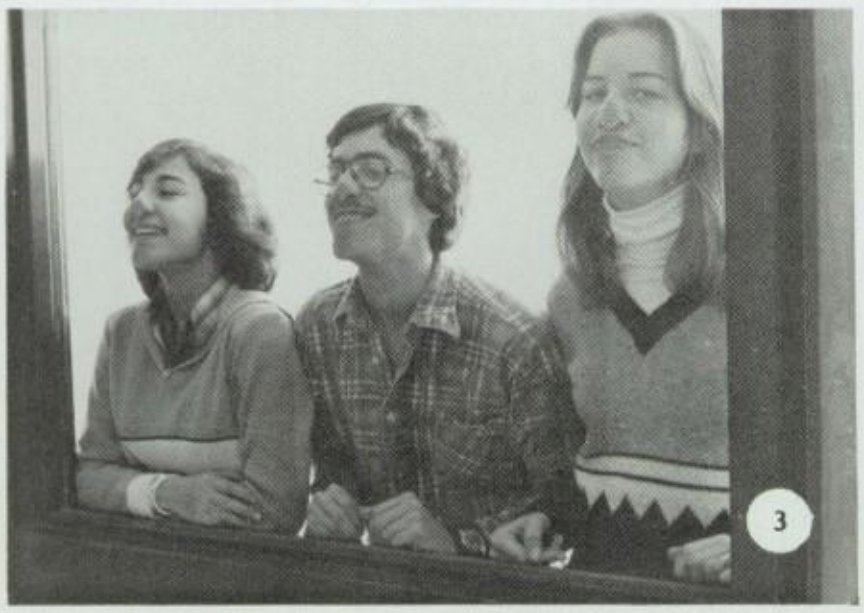
FELLOWSHIP OF CHRISTIAN ATHLETES

The Fellowship of Christian Athletes Club gives interested students an opportunity to discuss topics such as sports, the meaning of Christianity, and family relations. This year FCA has worked on reaching out to all the students at Mayo, not just the athletes. The year's activities included a Homecoming float and a carnation sale.

STUDENT COUNCIL

The purpose of the Student Council is to represent the students in matters of concern and to strive to make Mayo the best school it can be. Among this year's accomplishments were the establishment of a Human Relations Committee and the improvement of school grounds.

1. Student Council Officers: Tina Martin, Secretary; Paul Marcoux, President; Leanne McLeod, Vice-President.



2. Senior Class Officers (top to bottom): Ann Hazama, President; Nancy Belau, Secretary, Tim Wong, Vice-President.
3. Senior Class Representatives: Kula Pathoulas, Dale VanLaningham, Kari Huus.

STUDENT FACULTY ADVISORY COMMITTEE

The Student Faculty Advisory Committee is a group of students and teachers who work together to improve Mayo High School. This year the group has concentrated on one major idea, the Mayo Beautification Project. This is a three year plan designed to improve the doorways at Mayo. The committee has also planned murals for the spaces above the lockers. The members of this group have worked with the Student Council on this project.

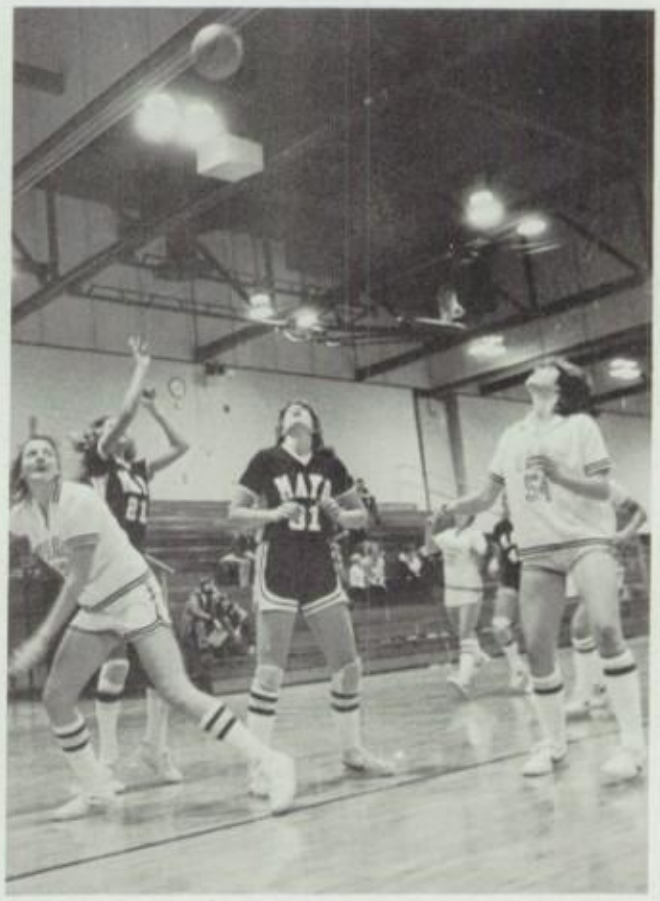
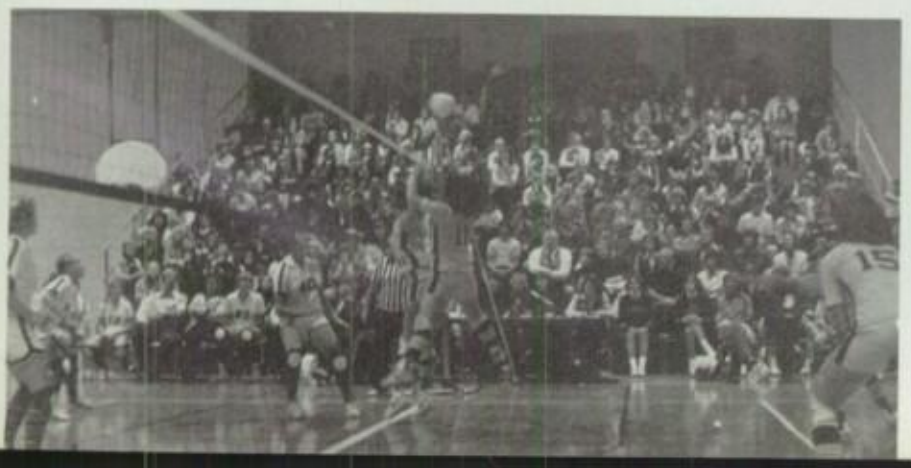
SPORTS FINALE





Spirit and enthusiasm typified this 1978-79 yearbook staff. The underlying desire was to produce the best yearbook ever at Mayo High School and everyone exerted effort and determination toward that goal.

The process of recording the year's events in pictures, of gathering information, of decision making about how to handle the information, and of putting the information in book form, started the first day of school and continued until the end of the school year.

Thank you, the "best staff ever" who produced the "best yearbook ever".
